

THREE RIVERS ROWING
VOLUNTEER OF THE MONTH
MARCH 2008

Linda Lang

*The ultimate expression
of generosity is not in
giving of what you have,
but in giving of who you
are.*

Johnnetta B. Cole

Linda Lang has been an enthusiastic member and volunteer at Three Rivers Rowing since she joined more than 15 years ago. There is rarely an event she isn't rowing in or helping out in some way. She has served on the Board and is a Steward for the Head of the Ohio. As Volunteer Coordinator, Linda managed the Crew Shop and inventoried mountains of t-shirts and posters. She also organized and captained the Medrad Crew, one of the first and most active corporate teams, winning the championship for several years. Every year she can be counted on to teach beginners in the Winter Rowing League and help out at the Indoor Sprints, where she usually wins the Gold in her class! We owe a special thanks to Linda for recruiting her 'partner in crime', John Kelly, whom she met at a Lottie McAlice race nine years ago. Both Linda and John are indispensable to our organization!

For many years Linda was a member of the Masters Women's team and is currently a member of the Evening Master's team. She is a favorite stroke and can always be counted on for excellent coxing. In addition to working at Medrad, she heads their 'Point of Light' committee and is a member of the Millvale Elm Street committee. She keeps in shape playing hockey with her three grandsons and helping out with her brand new granddaughter.

We can't thank Linda enough for her tireless dedication to Three Rivers Rowing!
