#### 1. SATURDAY, JUNE 5TH

- Boat Dedication - 10:30 am – We will be dedicating the new Adaptive 1x with the name of Patti Michaud. Patti has been a long-time TRRA member and coach, volunteer and participant of the Adaptive Program since the beginning of program. She has won several national championships over the years and was named the Adaptive Rower of the Year in 1995 and 2001. This is a small honor that we are able to bestow on someone that has done so much for rowing at our club and across the country.
- Learn to Row – 11:00 am – We are hosting a learn to row as part of USRowing’s National Learn to Row Day from 11-12:30 at Millvale. If anyone is available and interested in helping, please contact Jenn [jennngrieb@threeriversrowing.org](mailto:jennngrieb@threeriversrowing.org)
- Paddle at the Point – As I’ve written before the world record attempt is taking place this weekend. All canoes and kayaks should be launching at Heinz Field or the Mon Wharf but realistically I’m expecting some people to use our docks (which are technically private). Please keep your eyes open for this extra boat traffic. The actual attempt is supposed to take place around 12:30, but boats will probably be getting on the water starting around 10:00: <http://www.paddleatthepoint.com/>

#### 2. SCULLING OARS

We would like to remind all scullers who own their own oars and store them in the sculling bay to make sure their oars are marked on the inventory list with the correct slot # reserved.

#### 3. ISLAND BREAK-INS

We have heard about several break-ins in the last month of cars near the Lambert Boathouse. Several car windows have been broken and items stolen out of the cars. Please make sure you don’t leave valuables in your cars.

#### 4. USROWING JUNIOR DEVELOPMENT TEAM ROSTER

If you’re interested in the USRowing Junior Boys Development Camp and what programs the boys are coming to us from, we again have a nice list from across the country arriving in a few weeks. We have 43 rowers and coxswains:
